Luke 1:1-4

Many have undertaken to draw up an account of the things that have been fulfilled¹ among us,² just as they were handed down to us by those who from the first were eyewitnesses and servants of the word.³ With this in mind, since I myself have carefully investigated everything from the beginning, I too decided to write an orderly account for you, most excellent Theophilus,⁴ so that you may know the certainty of the things you have been taught.

What do we mean by a Synodal Church?

The document from the Synod of Bishops explains that synodality is a path, a journey. In a synodal Church we journey together. The document goes on to say that this *journeying together* will help the Church, us learn which processes can help us live in Communion, achieve full Participation and open to our Mission as Church.

In response to the call of the Holy Father, Pope Francis. We want to renew our parish as part of Diocese of St. Paul with an examination of how we are and how we are not, but could be, *journeying together*.

A survey questionnaire will be available in our website, Facebook and hard copy next weekend please feel free to access and participate. Our gratitude for your continuous support to our parish.
